<p>Planning applications. Details of planning applications can be found at https://planning.dorsetcouncil.gov.uk.</p> <p>a) To agree a response to planning application – P/FUL/2022/02512 – Severance of land for the erection of a bungalow with vehicular access. It was resolved, the following response was agreed:</p> <p>“The site is on the corner of 2 roads. One road is host to a play park (directly opposite the site) and a school. The other road is a main thoroughfare which already suffers from excessive parking and therefore is dangerous to navigate.</p> <p>This application should not add to the existing parking issue so Wool Parish Council asks that if planning permission is granted, an enforceable condition be included so that the residents must park on their drive not on the road.</p> <p>Following a site visit by Parish Councillors, driver’s line of sight on the corner was identified as an issue. The proposed 1.2m hedge should be replaced by a lower in height, non-organic structure. The reason for specifying non-organic is that a hedge will not be maintained at a consistent height of 1.2m.</p> <p>There is reference on the plan to a ‘shrub’ That’s not a shrub, it’s a tree. It says it is to be replaced by a ‘Liquidambar styraciflua ‘Thea’ which is a tree. Why remove an established tree and replace it with another tree which may not prosper?</p> <p>The immediate neighbour on Meadow Lane has raised concerns about rights of way and access to the rear of his property. Wool Parish Council asks that these are addressed.”</p>	Councillors
<p>89. To receive an update from the clerk. The clerk informed the meeting that the AGAR documentation was provided to PKF Littlejohn</p>	Clerk
